

Sex Education and Diversity

In groups of three or four, name a few ways that sex education *IS* an issue of diversity.

Watch the American TV commercial from 1987 promoting HIV/AIDS awareness.

Write a summary statement of the commercial's intent or purpose.
How would you describe this as an approach to sex education?

What are some **positive outcomes** of this approach to sex education?
What are some **negative outcomes** of this approach?

Positive outcomes	Negative outcomes

How do you think this reflects today's approach to sex education?
